

Name

Address

CAREER

Seeking position as a Management Trainee in Aviation Field that rotates employees through various positions. Strongest area may be in Human Resource Management due to extensive practical and theoretical experience with people from different cultures and social backgrounds. Since I am single and fluent in four different languages, relocation is possible on a short notice.

EDUCATION

HELSINKI SCHOOL OF ECONOMICS AND BUSINESS ADMINISTRATION INTERNATIONAL CENTER MIKKELI Mikkeli, Finland

Bachelor of Science degree 28.09.19XX-01.04.19XX, Overall GPA: 3.57, The Helsinki School of Economics and Business Administration is third oldest institute of higher learning in Finland. The school was established by the business community in 1904. In fall of 1989, the Helsinki School of Economics and Business Administration launched the International Bachelors of Business Administration (BBA) program, conducted in English. Visiting professors from other business schools are invited to teach short intensive modules of three weeks (45 contract hours each). During a module, it is possible to cover the topics included in a traditional full semester. Great value is set on team work which is accomplished in casework,

MAVERIC HELICOPTERS Deland, Fl, USA,

Commercial Pilot Helicopters 01.01.19XX-15.04.19XX, Graduated with privileges as a Helicopter flight instructor. 130 hours in piston powered helicopters and 70 hours of instruction given.

COMAIR AVIATION ACADEMY Sandford, Fl, USA,

Commercial Pilot Airplanes 01.12.19XX-01.12.19XX, Comair Aviation Academy is owned by the commuter airline Comair which is a Delta connection. Since graduating students were directly hired as first officers to Comair great emphasis was given to Cockpit Crew Management. Unfortunately I was not able to get hired by Comair due to my foreign nationality. I graduated in the top of the class.
